ABOUT DEPARTMENT

The Department of Pharmaceutical Sciences started B.Pharm. as the flagship programme of the Faculty of Health Sciences in the year 2002 and has grown to a significant reputation on the national and international scenario. Students, not only from different states of India, but also from other countries, pursue the B.Pharm. programme at this institution.

Other professional programmes being offered by the Department are, Diploma in Pharmacy (D. Pharm., 2 years), Bachelor of Pharmacy (B.Pharm., 4 years), Master of Pharmacy (M.Pharm. 2 years) in two branches (Pharmaceutics & Pharmacology) and Ph.D. in Pharmaceutical Sciences (minimum of 3 years).

The Department has secured its position in the top 100 institutions (85th Rank) of India in the pharmacy category in the MHRD's NIRF Ranking 2024. The Department has been approved by the Pharmacy Council of India (PCI). Significant numbers of students have qualified GPAT entrance examination and are in remarkable positions in different organizations.

Currently, the Department has well-equipped laboratories and highly qualified faculty. The Department organizes expert lectures, conferences for the benefit of the students and to create awareness of the recent trends followed in pharmaceutical research worldwide. The Department has also achieved research grants from pioneer funding agencies like DST and DBT. Besides this, many research/review papers are being continuously published in various pioneer national and international journals and patents granted, which all speak about the excellence of the Department.
